Subject: Prof. Iacint Manoliu passing

Dear Mr. Ioan,
Dear Mr. Bitca,

It was with great sadness that we received the news about the passing of our colleague and friend Prof. Iacint Manoliu this morning. Our hearts in the European Council of Civil Engineers are filled with sorrow as Iacint was not only a colleague but a real friend.

Iacint was active in ECCE since many years ago. He served as Chairman of the Standing Committee on Education & Training that was operating in ECCE and he was the catalyst for bringing Romania back to the ECCE family after a few years of absence. He will stay in our hearts and will be remembered by all of us for his talent as a scientist and specialist in his field, as a person with high intellectuality, kindness and respect for the others.

Please convey our sincere condolences to his family and friends.

May his gentle soul rest in peace.

Sincerely yours,

Włodzimierz Szymczak
Acting President of ECCE
